

# STONBLEND

Stonblend is a troweled, colour quartz floor system designed for a broad range of industrial and commercial settings. It is a smooth, stain and wear resistant floor offered in sophisticated patterns, standard colours and custom colours. Also available in an exclusive eco friendly formulation, GSI-G, that utilizes recycled glass.

Colour matching available with additional lead time, minimum order requirements and a slight premium. Colour reproductions are as accurate as modern photography and quality printing methods can produce. For actual colour please request a sample at [www.stonhard.com](http://www.stonhard.com).
